

The Tournus assets

CATERING TABLES

Safety and style :
straight edges 40 mm high, flattened surround.

Rigid :
work surface, 1.2 mm thick, with water-repellent laminated panel and aluminium frame.

Easy assembly :
easy self-locking push fitting. Patented system.

Easy installation :
legs in at the rear for tables with backs (60 mm).

CATERING SINKS

Comfort :
sound-proofed sink and draining board.

Eye-catching :
strip 40 mm high and splash-back bent like the tables and units of the range.

Easy assembly :
legs and container cover assembled using screws.

Easy installation :
legs in at the rear for tables with backs (80 mm).

CATERING UNITS

Comfort :
lined, sliding doors suspended from a rail fitted on the top part, with end-of-travel stop block.

Easy installation :
units supplied on pallet with screw jacks (adjustment range: 50 mm).

Modular :
adjustable shelf.

CATERING SHELVES

Simple installation :
independent brackets, fixed by screw and plug in wall bracket. Offset from wall by 40 mm to allow for clearance for pipes.

Modular :
container support possible (containers supplied).
