

COMPACT

The **GA wash basin's** compact size means it can fit into all kinds of premises, even the tiniest. Square in shape, 30 x 30 cm, it provides the ideal solution for hand-washing without taking up too much space.

Ref.: 806 331

Ref.: 806 332

COMPLETE

The wash basin comes with everything needed: hot and cold water pre-mixer, the hose to connect the pre-mixer to the goose neck, the goose neck itself, and the sink pipe and trap. It has check valves in order to protect the mains drinking water supply. The **GA wash basin** exists as 3 models:

- without splash back
- with splash back
- with splash back and soap dispenser

STURDY

Made out of grade stainless steel, the GA wash basin is designed to last under the most intensive working conditions. The water supply is controlled by a knee-actuated paddle.

ERGONOMIC

The round, half-spherical bowl, Ø 275 mm, keeps splashing to the minimum. A space is provided underneath the bowl for the key to the soap dispenser.
