

Wall-mounted brackets to store kitchen and confectionary utensils and accessories. Drilled stainless steel panels high for removable hooks, 200 mm long.

2 heights: 660 and 900 mm. 2 lengths: 600 and 900 mm. The lengths 1200, 1500 and 1800 mm are formed by juxtaposing the base support.

Each accessories holder bracket is delivered with a lot of hooks whose number varies depending on the surface.

Security: hooks have a protective cap made of polyethylene.
