THE TOURNUS ASSET

- **Sturdy** : The tray rest is fixed to the structure of the units.
- **Complete stations** : Designed to clear plates, store glass and cutlery.
- **Ergonomic** : Tray rest. Suited to the size of the children.
- **Eye-catching**: The cladding blends in with the decorative finish of the self-service unit or the room.
- **Compact** : Take up a minimum amount of space.

PRE-SORTING UNITS

Stainless steel construction, 900 mm high. Top 1,5 mm thick and 2, 3 or 4 waste disposal holes Ø 190 - 280 mm with grey rubber surround. Rounded edge. Choice of cladding for sides and front from the 15 shades in the Eurodekor by Egger range. Self-service type tray rest. Supplied with 800 mm high mobile bag holders without lid, placed at the back of the unit. Safety stand to avoid any risk of the cabinet tipping over with a narrow base.

707 536

ERGONOMIC :

- With tray rest
- The standard bag holders on the central units facilitate waste discharge
- Customizable cladding

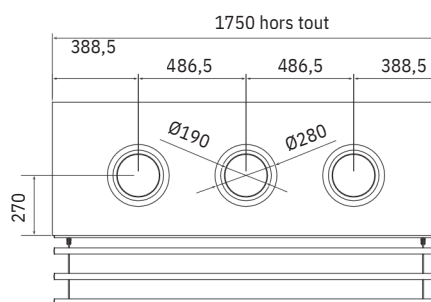

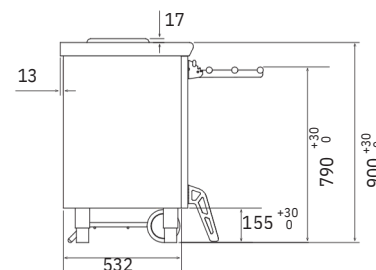

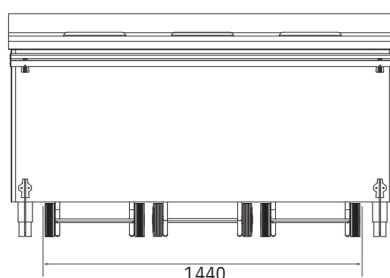

PRACTICAL BAG HOLDERS

- **Sturdiness** : very rigid bag support consisting of a 4 mm flat bar plus elastic strap bag fixing system.
- **Easy use** : thanks to the wheels Ø 150 mm for easy movement.
- **Easy access** from the rear.
